## Creating a Safer America

Through this site, you can learn more about the the [U.S. Consumer Product Safety Commission's](#) (CPSC) coming [Consumer Product Safety Risk Management System \(CPSRMS\)](#), which includes the Searchable Public Database required by the [Consumer Product Safety Improvement Act of 2008 \(CPSIA\)](#). You can also find out about opportunities to participate in our public engagement, view the webcasts of our public workshops, and track activity through our blog. And please check out our [Report to Congress on SaferProducts.gov](#) and take a look at future reports as we post them.

We will continue to engage and inform the public as we build the searchable public database envisioned by Congress. Together, we can create a critical tool that allows us to partner with consumers, manufacturers, and retailers to keep American families safe. [Learn More...](#)
